

# HOW TO LAUNCH & BUILD AN INVESTMENT FUND

SUMMER 2018 (NYC)  
JULY 11 (TRANI, ITALY)  
FALL 2018 (LONDON)

Rooted in sharing his nearly two decades of experience as a hedge fund manager, Whitney Tilson has created a new business, Kase Learning, and launched a one-day seminar entitled ***How to Launch and Build an Investment Fund***.

During the seminar, Mr. Tilson and his partner, Glenn Tongue, will share everything they've learned over the years about launching and building multiple hedge funds and mutual funds, be available to answer all questions, and invite 1-2 veteran investors as guest speakers to share their wisdom, so that participants can stand on their collective shoulders and achieve even greater success. It's going to be equal doses of learning, self-improvement and fun!

The seminar is designed for two types of investors: a) those who aspire to launch their own funds; and b) those who are already running their own funds and would like grow them.

## TESTIMONIALS

In early December, Mr. Tilson hosted a pilot seminar with a dozen participants. Here's what five of them had to say (testimonials from all 12 plus an observer are available separately):

“ It was a wonderful, almost life-changing experience. In a nutshell, it felt like an intensive infusion of wisdom and practical advice. I also really enjoyed meeting the people in the group who were, without exception, intelligent, hard-working, open-minded and friendly.” – Gabriel Grego, Quintessential Capital Management LLC

“ I would absolutely recommend this seminar to anyone aspiring to run their own investment management business. What is taught in this seminar is pure gold. It's not taught anywhere else and there aren't that many people in the world who really understand what it takes to raise a billion-dollar fund. I think that this is an incredible product. It's not really a proxy for business school or Columbia's value investing program. It's more advanced and for someone farther ahead in their career. There are so many start-up, emerging managers who have no idea how to raise money and where to start.” – Anonymous

“ I'm lost in words while expressing my appreciation. It was the mother of all seminars. Really. It was invaluable: so many wise teachings, thoughts and reflections, and opportunities for personal growth. When I got back to work, I spent the entire afternoon sharing with my team the many learnings from our week together. Your humility, candor and selflessness are all great trademarks of yours and were evident during the week. You are a heck of a role model and I'm so lucky to have you as my cherished friend.” – Paco Carrillo, Mexico Value Partners

“ At the beginning of Whitney's course, I didn't know what to expect and had little idea of how to set up and market my business, but after only a few days it's not an understatement that the seminar will make me millions of dollars and save me a great deal of trouble. Whitney laid out everything he did right in launching and growing his fund for more than a decade and then, perhaps more importantly, very honestly detailed what he did wrong. Through his connections, we also met with investors at the very top of the industry who were very generous with their time and open to all questions.

Lastly, I now have 12 friends who are very bright and at a similar point in their careers who I can bounce ideas off of, a clear plan for how to market and grow the business (it's encouraging when you hear Bill Ackman tell you he likes your plan), and most importantly I know what pitfalls to avoid.” – Angelo Martorell, Martorell Capital Partners

“ As a young analyst trying to get ahead, this was the shot in the arm I needed. I know the hedge fund world has become increasingly difficult and competitive, so I've been looking for any leg up I could find – and the seminar delivered, far surpassing my expectations. I was blown away by the one-on-one, personalized attention and can't imagine a better way to learn than from Whitney's case-based format. I left the seminar a better investor, entrepreneur and, unexpectedly, better person. Highly recommended!” – Jeremy Lichtman, SevenSaori Capital
